

BOSTON MINI TOUR

ITINERARY NIGHTS: Boston (3)

This itinerary requires a Saturday night stay.

HIGHLIGHTS: Back Bay Walking Tour • Boston City Tour • Museum of Science • JFK Library • Plymouth Plantation Tour • Plymouth Rock • Mayflower II

many of the parks that make up Boston's Emerald Necklace.

DAY 2 BOSTON See the city known as the "Cradle of Liberty" on

your **Boston City Tour**. Your licensed city guide will show you the Granary Burying Ground, where three signers of the Declaration of Independence are buried; Old State House; Old North Church, site of the Boston Massacre; Faneuil Hall; the Bunker Hill Monument; Quincy Market; the USS Constitution, launched in 1797 and today the US Navy's oldest commissioned ship; and Paul Revere's House. Cross the Charles River to the city of Cambridge for a look at Harvard University and

Harvard Square, MIT and the historic Boston Harbor. Then tour the fabulous **Boston Museum of Science** where everything is laid out for you to explore and examine. Walk on a giant's desk (where pencils and erasers are 12 times their normal size) and explore a two-story Japanese house. Visit "The Virtual FishTank" where you can create and interact with your own virtual fish to discover new insights into how complex living systems work. The Theater of Electricity generates some serious indoor thunder and lightening with the world's largest Van de Graaff generator; here's your chance to safely experience the awesome feel of electricity coursing through your body. Dozens of interactive exhibits range from virtual visits inside the human body to huge

dinosaurs and a showcase on how math really does affect our everyday lives.

DAY 3 BOSTON The 35th President of the United States was born and raised in the Boston area. Learn about the career of John F. Kennedy, the challenges he faced, the decisions he made, and his commitment to public life as he speaks for himself on film, video, and sound recordings at the **JFK Library**. Then a short drive from Boston will take you to **Plymouth Plantation**, the first permanent settlement of Europeans in Southern New England. It is here that the ship *Mayflower* arrived in 1620. Both the European and the native Indian settlement were faithfully reconstructed and serve as a living museum today. The actors you will encounter live at Plymouth Plantation year round, planting, cultivating, cooking and living exactly the same way as did the first settlers over 300 years ago. Also see Plymouth Rock and the *Mayflower II*, a replica of the ship that brought the first Pilgrims to Massachusetts.

DAY 4 DEPART Board your return flight home with a new appreciation for American history and for one of this country's great old cities.

ABOUT US

We at Travel Selections have a passion for travel. We believe traveling at any age can be the experience of a lifetime. Experiencing a new culture. Adapting to new customs. Being totally immersed in a different language. Have you enjoyed the view from *inside* a European Cathedral? Seen a *real* koala bear? Ordered Mexican food *in* Mexico? Been face to face with Mona Lisa?

Our goal is to expose travelers of all ages to some of the world's great historic and cultural sites, while experiencing the local customs, culture and cuisine. We offer quality programs and diverse itineraries to some of the most exciting locations around the world—Europe, Mexico, Costa Rica, Japan, Australia and more.

Travel Selections, Inc is a leader in innovative, safe and fun educational travel. Our programs are carefully designed to give you the highest quality experience. (*Florida (No. ST-26260) and California (No. 2043793)*)

- We use only major airlines and regularly scheduled flights.
- Our accommodations are always first class, superior tourist or tourist class quality.
- Our tours are supervised by knowledgeable, friendly, bi-lingual guides who help travelers experience the sights of a city, not just see them.

The result of our careful preparation is an educational travel experience that will last a lifetime. Welcome to Travel Selections—your educational adventure is just beginning!
